Highlight Your Presence!

With our portfolio for advertising services, we can help you with catching visitors' attention to your company for your trade fair presence - before, during and after Bazaar Berlin 2025!

Accompany your target group along the entire route - to the exhibition grounds, around the halls and on the Bazaar Berlin website.

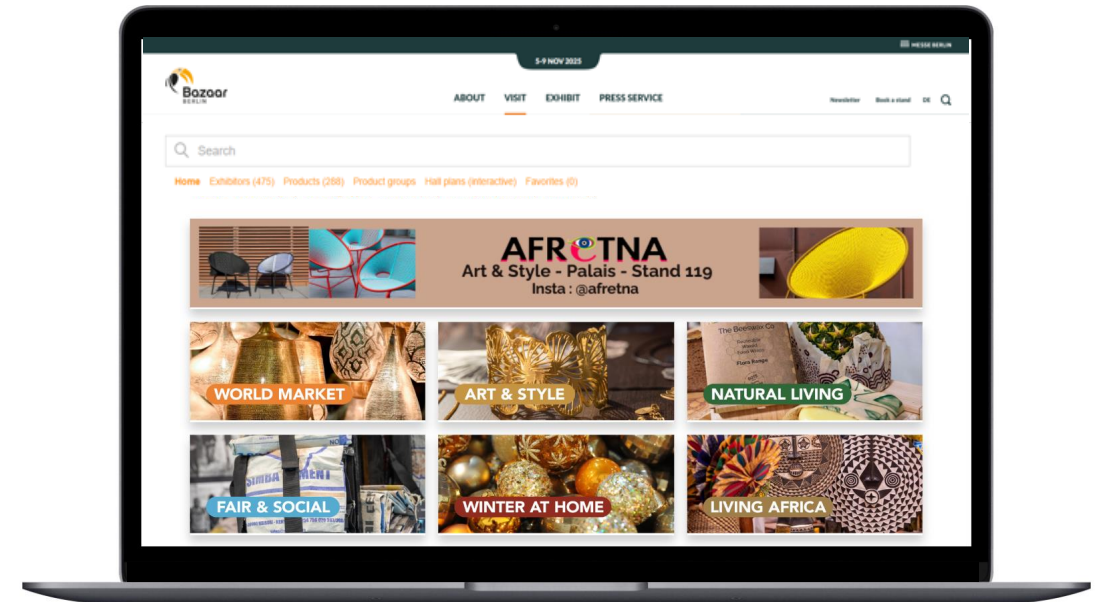

Media Package

Your online entry in the Exhibitor Directory

Increase your online Presence

Introduce your company and increase your visibility through logo and banners placements on the website.

With a Media Package Upgrade, you can enhance your online exhibitor profile with additional content, including product and product group entries. Furthermore, all digital ads are directly linked to your company profile.
