example

Manually operated sun blinds on windows.

Chairs in rows are connected and non-moveable.

Please note that any changes regarding room usage must be specified in advance and are subject to feasibility.

Objects can only be placed in designated grid areas.

Only Messe Berlin staff or their designated service providers are allowed to operate the technical equipment.

Personnel costs for construction and dismantling of the listed furniture and equipment items are included in the rental fee.

Staff employed to operate the technical equipment during the event, as well as changes to the standard setup are subject to additional fees.

For safety reasons floor plan areas marked in green must remain unobstructed.

Even when the connecting doors are locked, these can be opened at any time in the direction of the escape route, due to their function as emergency exits. These routes are marked on our floor plans.

¹ includes one-time data input of a single file (.jpg)

² wired

³ In M2: rolling projection screen
