WiFi Sponsoring Package

Description ITB Berlin offers free WiFi at numerous access points throughout the exhibition site. The WiFi Sponsor benefits from a variety of different features:

The sponsor of this exclusive package has the privilege of naming the event's WiFi network with their **own unique network name** e.g.: *AlbaniaAllSenses@ITB* or *EmotionsareGeorgia@ITB*.

This guarantees maximum visibility for the sponsor, as the sponsor's brand will be displayed on all network devices connected to the WiFi during ITB Berlin.

In addition, the sponsor will be comprehensively integrated into various online, on-site and print media:

- design of the **WiFi Landing Page**
- multiple integration on the **ITB Berlin Website** & in the **ITB Berlin Newsletters**
- mention in the **ITB Berlin Social Media Story**
- mention in the **ITB Berlin Paper Site Maps** & the **ITB Berlin Welcome Letters** for exhibitors
- branding of the **Info Counters** & several **Exhibition Ground Plans** at main entrances & hall entrances
- mention on the **Mobile Displays** of ITB Berlin

A detailed overview of all benefits will be gladly provided to you at any time.

Sponsoring Package Price 60,000.00 EUR
incl. handling & implementation

LEAD SCAN TEAM

With Lead Scan Team, you can easily capture the badges of all visitors using the ITB Berlin App and benefit from cross-team collected data in real time.

Export all the contacts from your teammates for your company in a file. Ideal for seamless and cooperative lead capturing at the event.

- Cross-team data collection in real time
- Consolidated export of contact data (CSV file) for all scanned visitors in the app
- Extra: Export (CSV file) of web profile visitors with opt-in
- Efficient and comprehensive lead capture, ideal for larger teams or multiple booth staff

Good to know: With Lead Scan Team, all team members assigned to your exhibitor profile can scan visitor badges and collect contacts—regardless of whether they are visible in the exhibitor profile or not. The entire team will automatically collect leads together.
