Communication Package:

Turn Your Stand into a Lead-Generating Powerhouse

Welcome to ITB Berlin — the world's leading travel trade show. Whether this is your first year or your tenth, one thing never changes: **visibility drives business, and business drives ROI.**

What is the Communication Package ?

As part of your stand booking you paid for your Communication Package — your digital marketing framework that turns your physical stand into a 24/7 presence before, during and after ITB.

Why it matters

Thousands of buyers are using ITB Navigator now to shortlist exhibitors and book meetings. An incomplete profile = missed appointments and lost clients.

Stand out further (smart upgrades)

- Online banners
- Featured stories & newsletters
- Lead Scan Team
- Onsite promotional displays

Access to the Content Manager

During your stand registration process in the exhibitor portal, you have been asked for a main contact person including an email address. This person is going to receive the initial email containing the content manager link to edit and update your company profile.

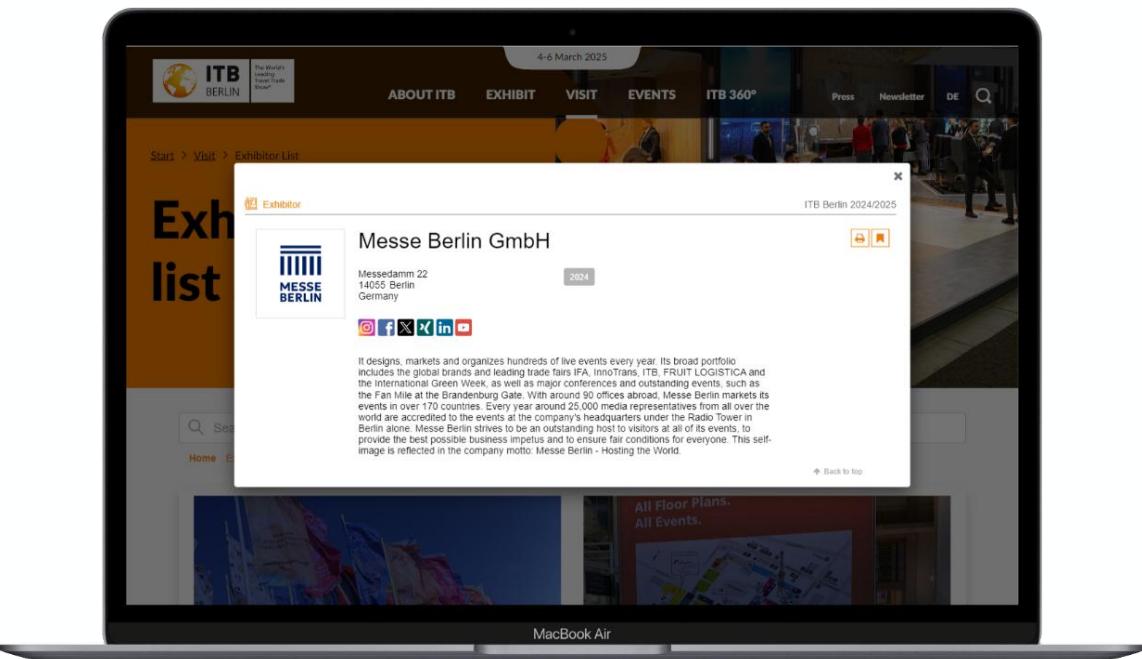

Important:

Main exhibitors and co-exhibitors will each receive a separate email with their own content manager link.

How to access the Content Manager and publish your profile.

Click the content manager link sent to your main contact person. This will open a new browser window, taking you directly to the Content Manager, where you can edit your company information

- After entering your data in the Content Manager, you can return to the ITB Navigator to review the results.
- Changes can be made at any time.

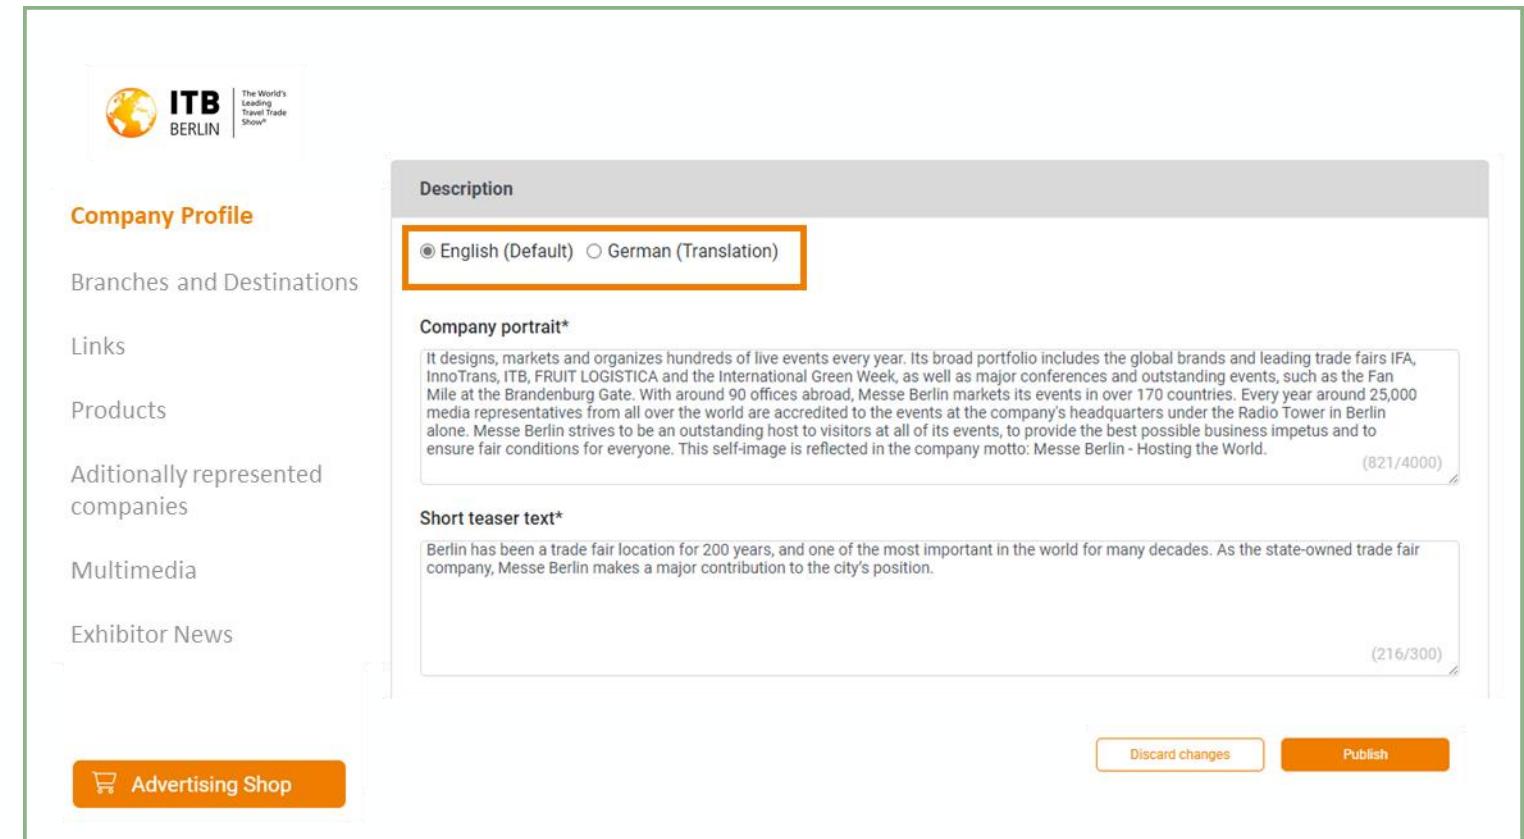

Please note: The main contact provided during registration will also receive the link via email. If multiple members need to edit the company profile, the link that opens in the new tab can be copied and shared.

Editing Company Profile in the Content Manager – General Tips

- The left side menu guides you through the different options available to create your company profile. You will also find additional links for further information.
- After editing field, click on "Publish" in the top right-hand corner to save the changes.
- In each field, you can choose between the options "English (Default)" or "German Translation" to edit the content in the respective language. We advise you to edit the information in both languages.

The screenshot shows the 'Company Profile' section of the Content Manager. On the left, a sidebar lists navigation links: Company Profile (highlighted in orange), Branches and Destinations, Links, Products, Additionally represented companies, Multimedia, and Exhibitor News. At the bottom of the sidebar is an 'Advertising Shop' button. The main content area has a grey header 'Description'. Below it is a language selection box containing two radio buttons: 'English (Default)' (selected) and 'German (Translation)'. The main content area contains a 'Company portrait*' box with a text editor containing a paragraph about Messe Berlin. A word count '(821/4000)' is shown in the bottom right of this box. Below it is a 'Short teaser text*' box with a text editor containing a paragraph about Berlin's trade fair history. A word count '(216/300)' is shown in the bottom right of this box. At the bottom right of the main content area are two buttons: 'Discard changes' and 'Publish'.

Editing Company Profile in the Content Manager – Start page

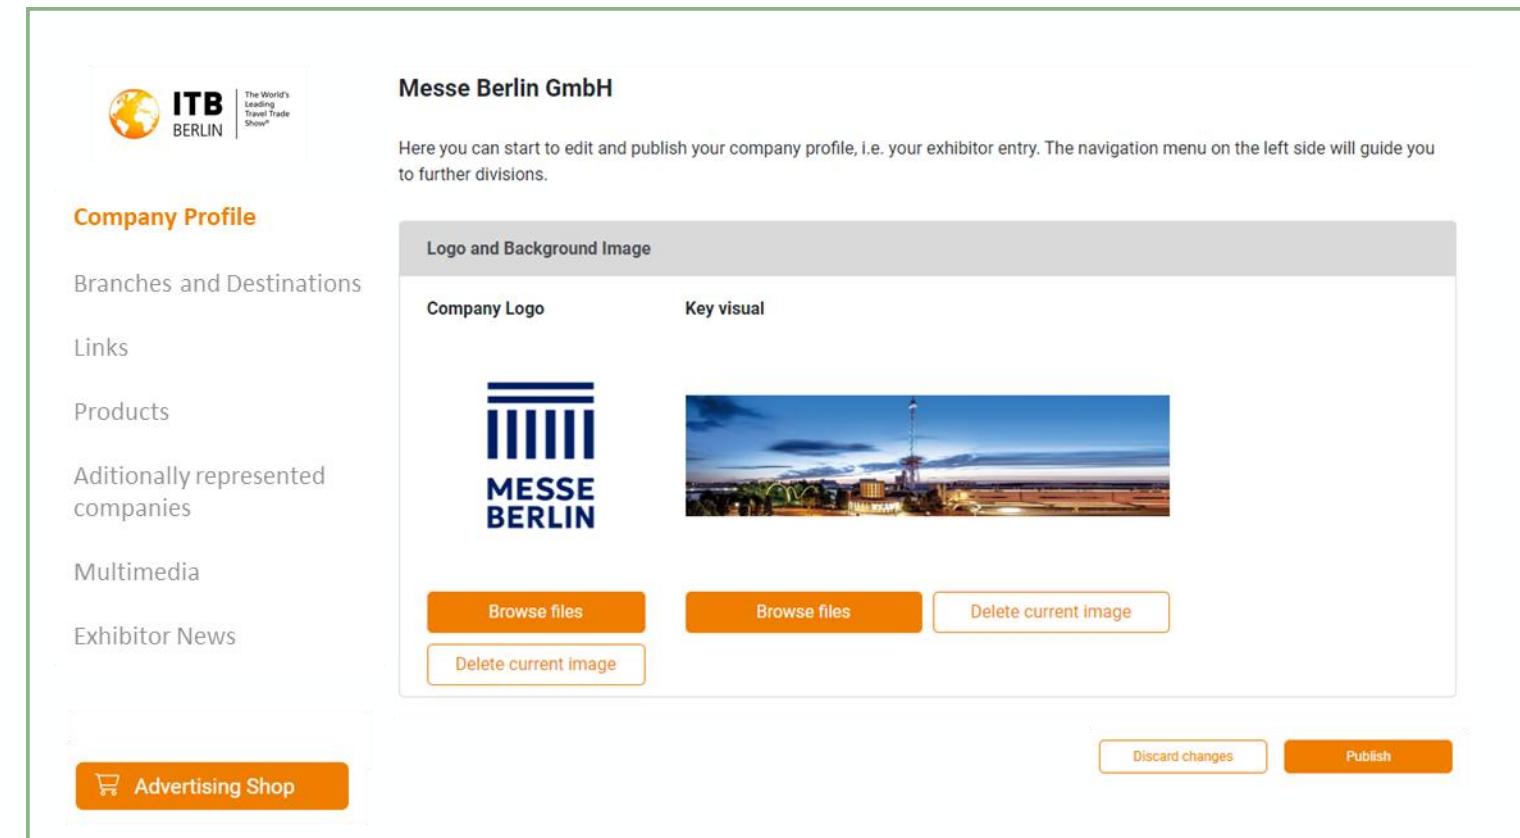

You can customize your company profile from the start page by updating the following:

- Logo & background image
- Basic data & company description
- Social media accounts

Tips:

The background image should be uploaded in different sizes for both web and app views to ensure it displays well on all screen sizes.

We recommend using a wallpaper or neutral image as the background image and avoiding text or symbols that could be cut off.

Editing Company Profile in the Content Manager – Branches & Destinations

The branches you selected during the stand registration are automatically transferred to your company profile on **ITB Navigator** and can be changed at any time.

To view the selected branches, please click on the branch name rather than on the arrow next to it.

Tips:

You can check the number of selected branches and how many are still available at the top right of the screen.

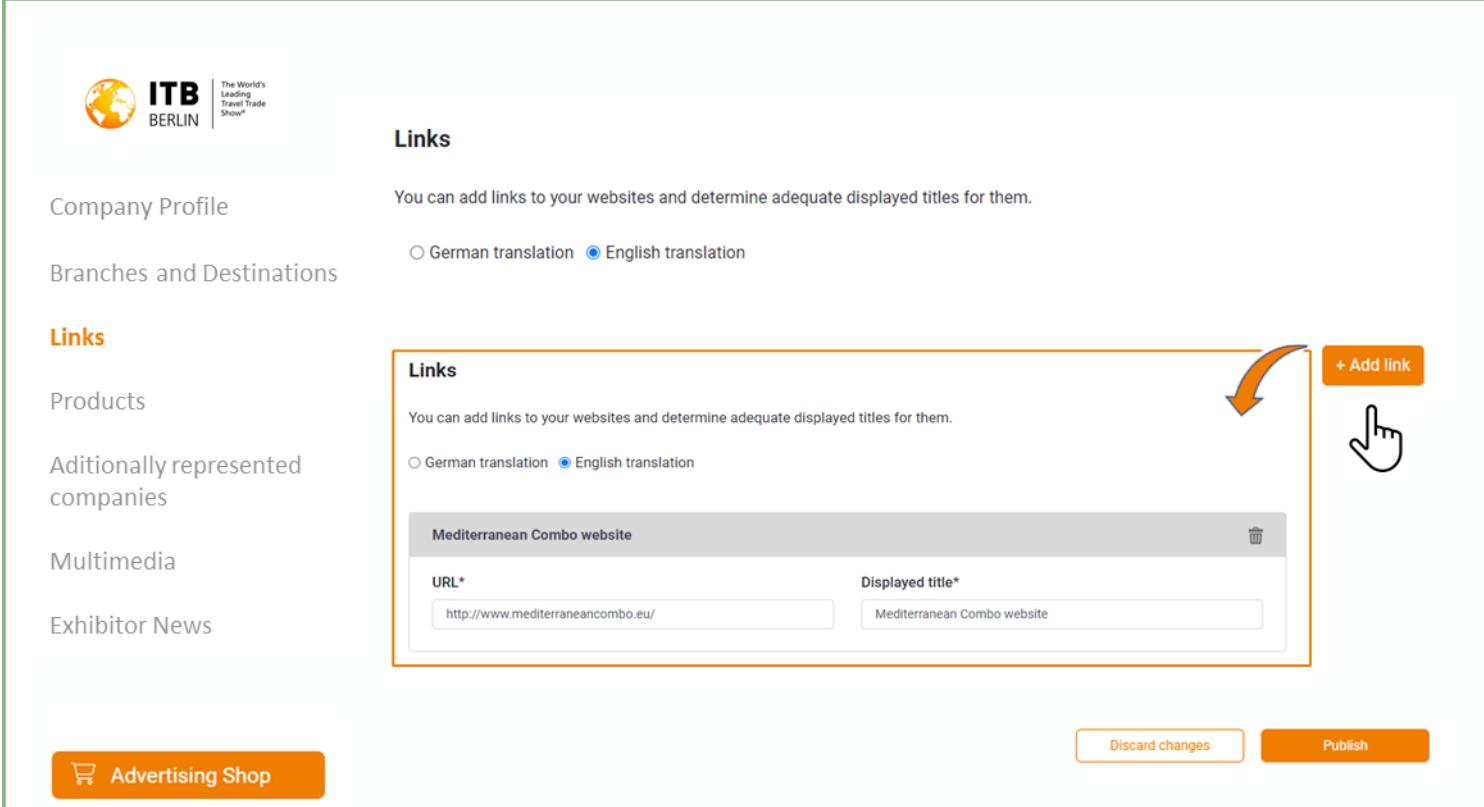

The screenshot shows the 'Branches and Destinations' section of the ITB Navigator Content Manager. On the left, there is a sidebar with links: 'Company Profile' (disabled), 'Branches and Destinations' (highlighted in orange), 'Links' (disabled), 'Products' (disabled), 'Additionally represented companies' (disabled), 'Multimedia' (disabled), and 'Exhibitor News' (disabled). The main content area has a title 'Branches and Destinations (0/2)' and a descriptive text: 'Here you can select the appropriate branches for your company and the destinations where you operate. Please note that you can add as many branches as included in your media package. If you have booked additional ones, you can add them anytime.' Below this is a search bar with the placeholder 'Search for branches and destinations' and two buttons: 'Branches >' and 'Destinations >'. At the bottom of the main content area are 'Discard changes' and 'Publish' buttons. At the very bottom of the page is an 'Advertising Shop' button.

Editing Company Profile in the Content Manager – Products

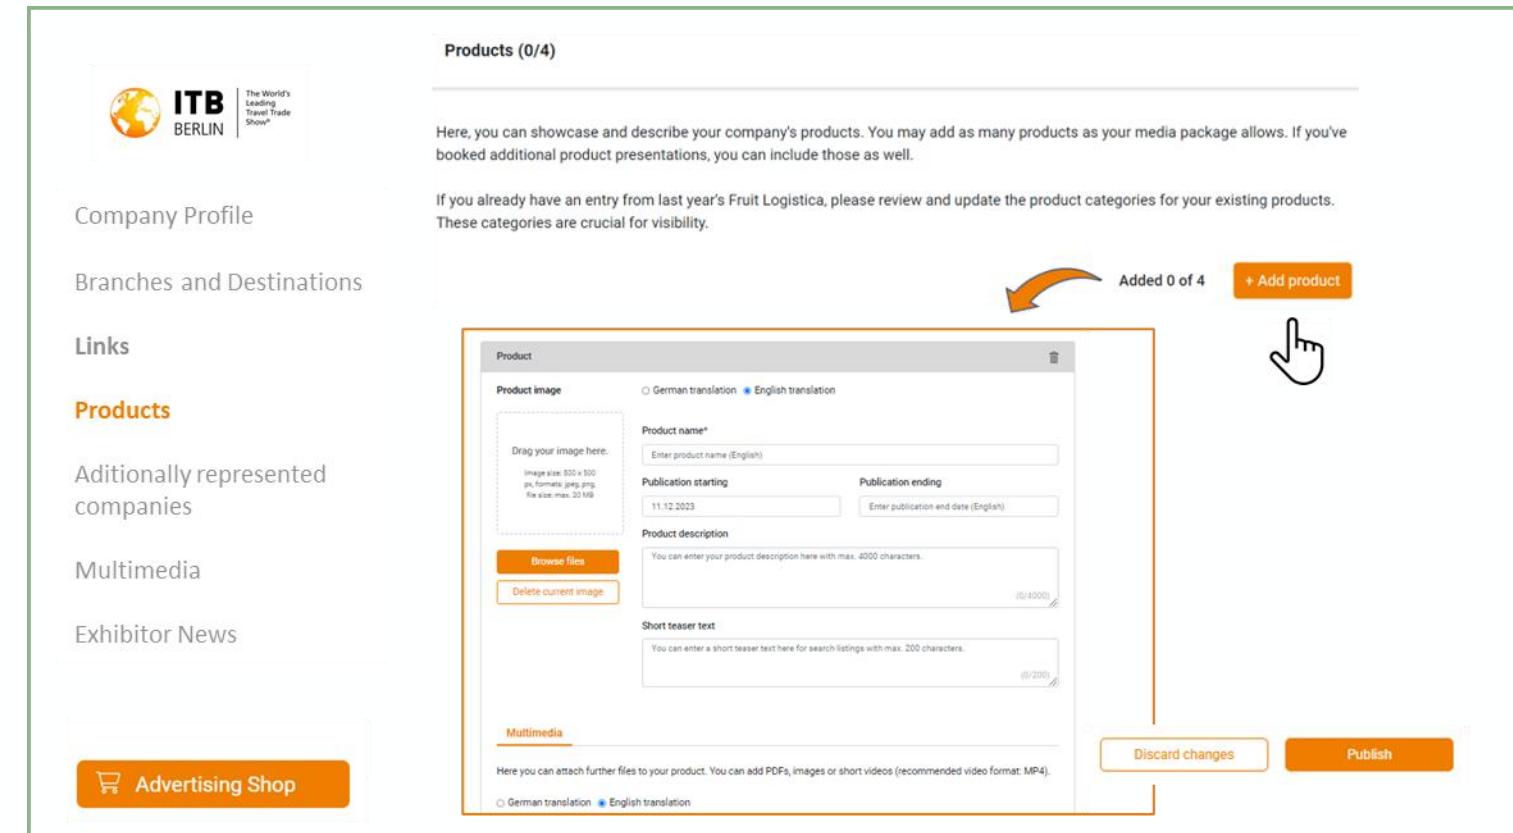

Click on 'Add Product' and next on 'Product' to start editing the product information.

At the bottom of the editing area you can see three more tabs: "Links", "Product Groups", "Multimedia".

Important:

If you have already completed your company profile on ITB Navigator, please review the product groups for your existing products and update them if needed.

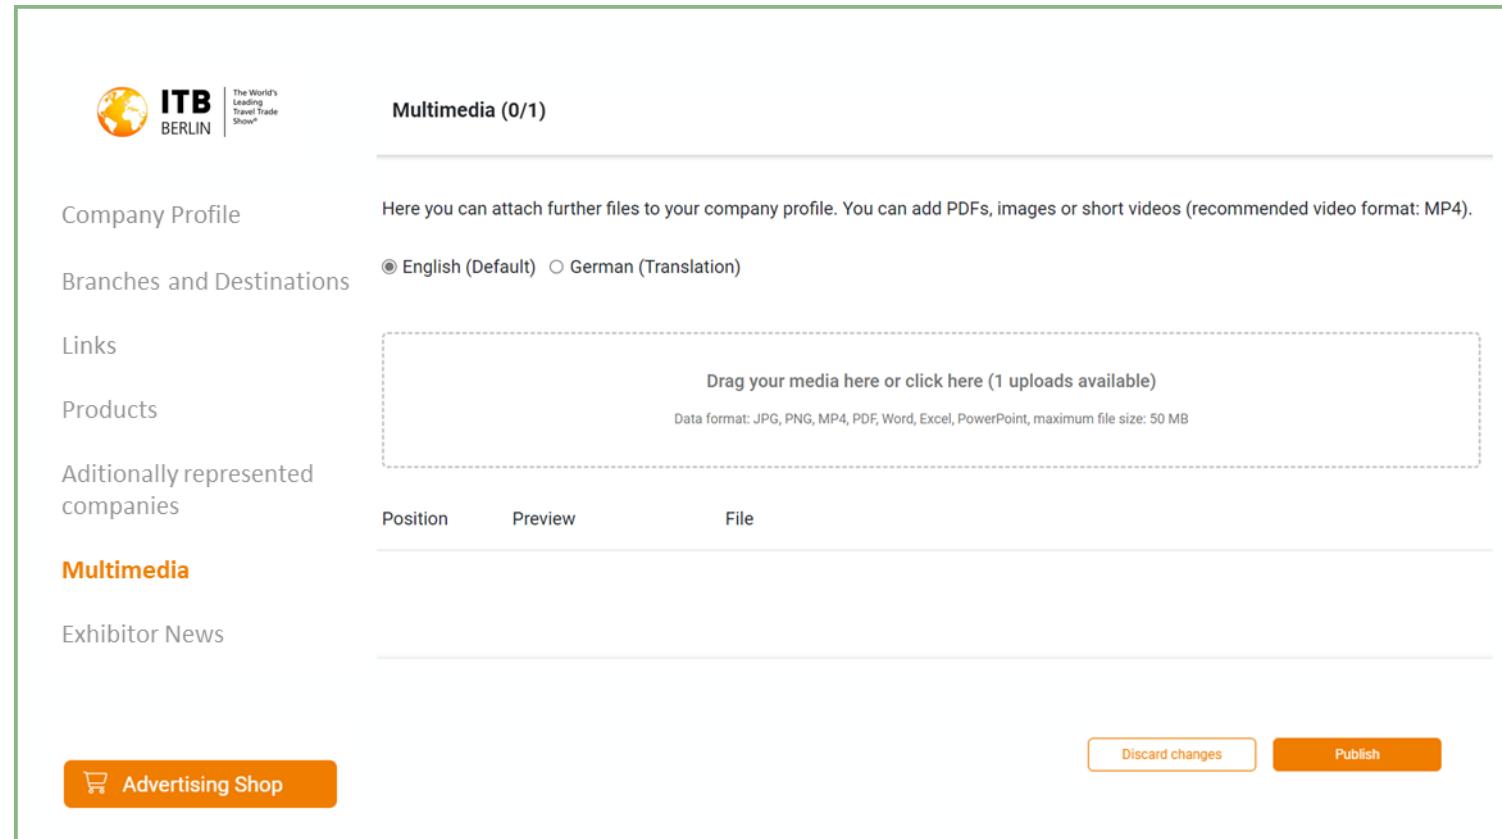

The product groups are essential for increasing the visibility of your products.

Editing Company Profile in the Content Manager – Multimedia

Under "Multimedia" you can upload additional information material about your company such as PDFs, images and videos.

The screenshot shows the 'Multimedia' section of the ITB Content Manager. On the left, a sidebar lists navigation options: Company Profile, Branches and Destinations, Links, Products, Additionally represented companies, **Multimedia** (which is currently selected and highlighted in orange), and Exhibitor News. At the bottom of the sidebar is a button for 'Advertising Shop'. The main content area is titled 'Multimedia (0/1)' and contains a sub-instruction: 'Here you can attach further files to your company profile. You can add PDFs, images or short videos (recommended video format: MP4)'. Below this is a file upload area with a dashed box for dragging files, the text 'Drag your media here or click here (1 uploads available)', and a note about data format and size. At the bottom of this area are three buttons: 'Position', 'Preview', and 'File'. At the very bottom of the page are two orange buttons: 'Discard changes' and 'Publish'.

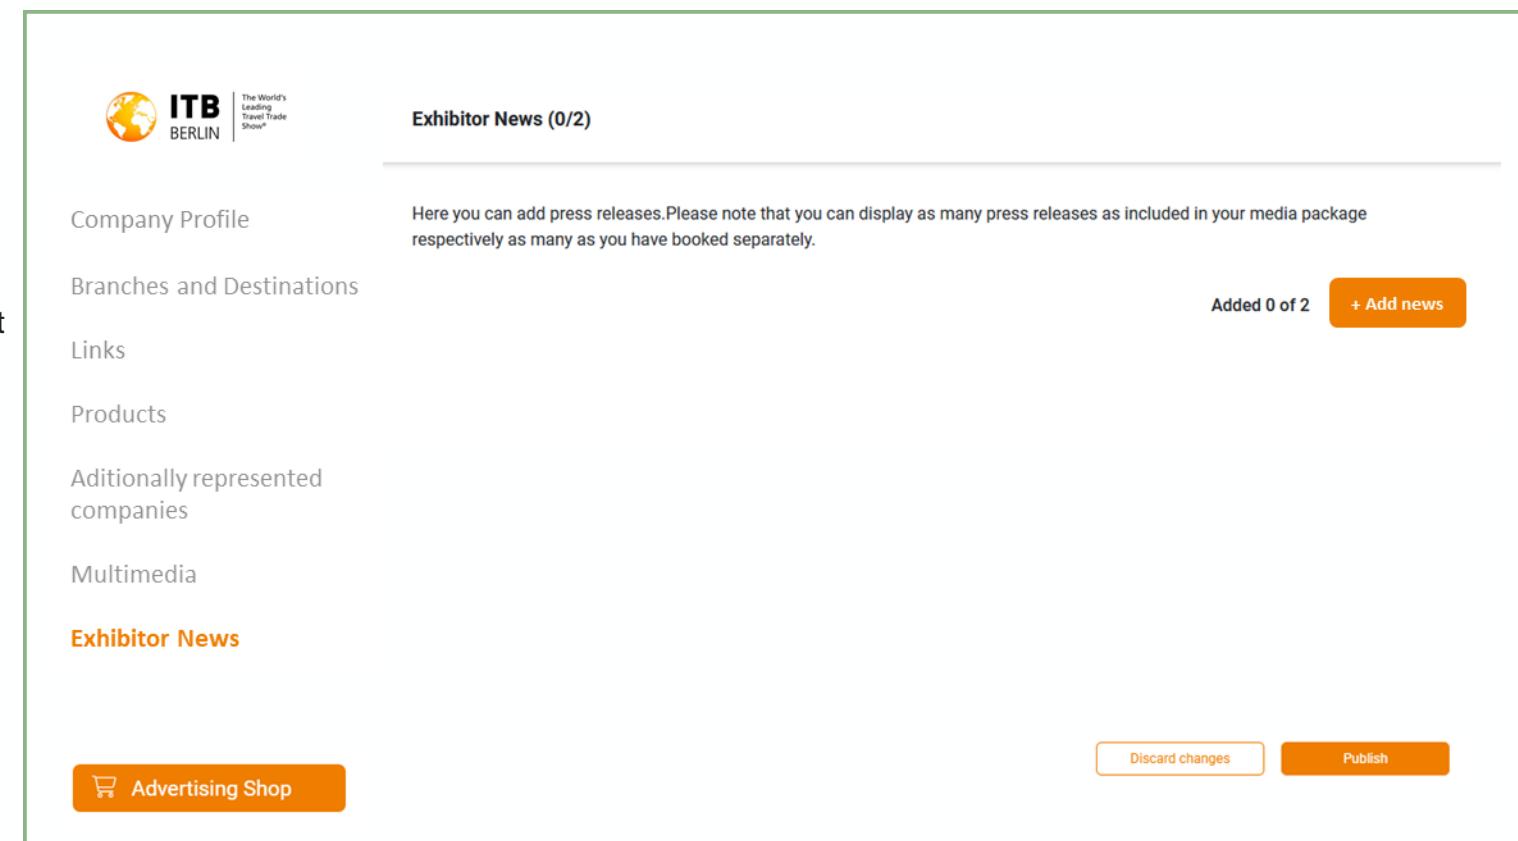

Editing Company Profile in the Content Manager – Additional service: Exhibitor News

To reach journalists and the media you can book Exhibitor News to share news about your company.

Immediately after booking in the Advertising Shop, this content is released for editing in the Content Manager.

You can manage this content in the same way as a product (see page 9).
